Mrs. H. Traub To Head Home & School Association

The last meeting of the Didsbury Home and School Association for this term was held in the school auditorium on Monday evening with Mrs. W. St. Clair in charge.

Mrs. Lila Wiggins gave a very interesting report on the home and school convention held recently in Edmonton.

The new slate of officers for the next term are: associate president, Mr. E. T. Wiggins; president, Mrs. H. Traub; first vice-president, Mrs. V. Turner; second vice-president, Mrs. W. St. Clair; secretary, Mr. H. Hamm; treasurer, Mrs. A. Brado.

At the last meeting members were asked to submit questions pertaining to school work, procedure, etc., with a panel of teachers answering the answers. Whenever a program of this nature comes along all parents of all children attending school should make a special effort to attend. A lot of useful information is given by the teachers, with the result that a better understanding between parents and the teachers is formed.

Don't forget Achievement Day, June 12th.

WESTERDALE NEWS

(From Our Own Correspondent)

Mr. and Mrs. A. R. Phil and Mr. and Mrs. W. Wigley motored to Calgary on Friday, where they visited with relatives.

Sunday's guests at the home of Mr. and Mrs. W. Wigley included Mr. and Mrs. C. Laughlin, Sandra and Norman, Mr. and Mrs. Ken Laughlin and children, all of Calgary; LAC and Mrs. A. R. Phil, Debra and Linda, and Mr. and Mrs. F. J. Jackson.

Mr. and Mrs. A. Cowie and Lynn of Edmonton were Sunday visitors with the former's parents, Mr. and Mrs. J. Cowie.

Mrs. J. Cowie was hostess for a miscellaneous shower on April 30, when bride-elect of the month, Miss Gileen Finnie, was the honored guest. Thirty-four ladies were in attendance for the occasion.

A very nice basket gift, bearing a miniature oil derrick (which was constructed by Tommy Jones), was brought in by Miss Patsy Finnie, who also assisted Eileen along with her mother, Mrs. Martha Finnie in opening the lovely gifts. Eileen expressed her appreciative thanks.

Mr. and Mrs. A. R. Phil were supper guests at the home of Miss Patsy and Norma Buckley on May 1st; also present were Mr. and Mrs. Bob Jackson, Mr. Art Jackson, Mr. Jim Jackson and Mr. Ken Turnbull.

PIONEER SCAN-A-GRAYER STILL NOT PAYING . . .

The editor had quite a few comments regarding the information he asked for about long-time subscribers to The Pioneer.

And many other people were quite happy and satisfied with the results of the survey.

However, just to spoil things for the boss, a joker showed up in the deck.

"Morgan" informed a few of his acquaintances last week that he had been reading The Pioneer for 35 years and has yet to pay for a yearly subscription.

We'll have to sit down and figure out a special "award" for him.

RUGBY W.I. APPOINT CONFERENCE DELEGATE

The May meeting of Rugby W.I. was held at the home of Mrs. D. Hosegood, with 12 members and one visitor present. Roll call was answered with "New Ideas for the Garden." Mrs. Bert Smith had charge of the agricultural topic and read an interesting article on forcing buds for spring winter flowers. Mrs. D. Hosegood will act as delegate for the constituency conference on June 2nd.

Mrs. Alex Hogg and Mrs. Allen Vipond will represent the west at the meeting for the rest of year.

Handicrafts were discussed and it was felt that it would be better to have the points the same for both ladies and men articles.

Mrs. Bert Smith was the tea draw and Miss Lillian Hosegood entertained during the tea hour with two accordion selections.

Golf Notes . . .

The golfing season is now in full swing and every day more and more golfers are taking advantage of the weather to take part in their favorite pastime.

This enthusiasm, however, is not reflected in the number of fees paid so far. The executive would like to remind members who have not paid their fees that those who have not done so by May 31st, will be ineligible for competition play.

The entry sheets are still in the office for the competition tournament on May 25th. Anyone not entering their name on this sheet will not be taken into consideration for this two-game event.

The ladies' golf competition last week was run in three flights. The first flight was tied by Mrs. Virginia Currie and Betty McMillan; the third by Mrs. Mabel McFurnish and Mrs. Ruth Anderson.

These matches will be played off at a later date. The second flight was won by Mrs. Ann Jenkins.

The competition this week is a "surprise hole" and next Thursday, May 22nd, it will be low score on odd holes.

None of twenty-two periodicals published in Alberta were found objectionable to warrant a request for withdrawal by the Alberta Board of Objectionable Publications following examination of the material at a recent board meeting held at Lacombe. Since its inception in 1954 the board has been responsible for the withdrawal of 80 per-

iodicals from newsstands. Twenty-two have been withdrawn for other forms of objectionable material.

The board works in close co-operation with magazine distributors in the province. Complaints about content of any periodical received from the general public are always checked. If a periodical is deemed objectionable, co-operative agreement results in its withdrawal from

the market. The board does not concern itself in paper back or other forms of newspapers.

Shows discussing the quality of the 22 magazines examined at the board meeting are: from left, B. Peal, Edmonton; Miss Phyllis Lapworth, Medicine Hat; Mrs. A. J. Maure, Chairman, Edmonton; Mrs. Joan Robison, Calgary, and Mrs. Jack Ferris, Red Deer.

Hail Suppression Still Draws Interest

Editor, The Pioneer,

Dear Sirs:

For some time I have read letters in your paper on hail suppression. I have read them with a mixture of enjoyment and disgust.

Name calling and untruth will not settle the matter. A person may state his opinions, but in the words of a long-dead philosopher, "a man's opinions are his personal point between truth and utter falsehood."

Man in the beginning walked on his two flat feet; eating berries, roots and such things as he could find; sleeping wherever he could find shelter. So on down through the ages he has, through trial and error, discovered things to make him live.

These accomplishments have all been accompanied by those that said you can't do it. Many men and women have given their life to prove it could be done. Not only for their own good, but for generations to come.

Being not what could be called a "bright spark" myself, I still believe that if He made it, made it, and controls this universe, the earth, and what is on it, by what name or how He is worshipped, will, if He deems man worthy, will not only allow man to control all, but all weather.

In conclusion, let us forget name calling and put our shoulders behind this thing and prove whether it's workable or not. It will not be proven in a year, or maybe ten, but we all spend more than we are asked for this on foolish things that do not do us or our neighbors any good.

I believe it says somewhere in the Bible, that if you ask you will receive.

Respectfully,

R. HAMPER

At the May meeting of the Mono Chapter IODE, Mrs. Alex Robertson detailed findings of the Cameron Royal Commission of Education. "The Role of the Home Education" was the interesting topic also given by Mrs. Robertson. Mrs. Tugle requested that each member bring a clipping on world affairs for the June meeting roll call.

Mrs. Polly Ross distributed sewing for the local nursery. Mrs. Ross advised there would be no local hospital tag day this year.

The regent, Mrs. Ed Ford, gave an interesting account of the 38th annual convention in Edmonton. In Alberta, Mrs. Ford said \$20,238 was spent on education and \$63,397 on welfare work — a notable achievement indeed.

The June meeting will be in the form of a party.

The last meeting of the West Didsbury Calf Club was held on April 11 at 8 p.m. in the barn. Four heterodox heifers were judged by the nine members present.

Mr. Gordon Robertson acted as chairman, in the absence of the president and the vice-president.

During the business session the club members spoke about the Farm Credit Council to be held in Calgary August 11 to 15 for 4H club members and farm boys and girls between the ages of 15 and 21 years.

The club will be hosts for the Field Day on May 31st, at the farm of Mr. Roy McNaughton. Gordon Good spoke on "warbles" and Richard Leveagood on "Care of the Club Calf's Feet."

MELVIN NOTES

(From Our Own Correspondent)

Mr. and Mrs. Gordon McNaughton will be moving to Athabasca shortly. Gordon, who has been assistant agriculturist at Lacombe for some time, will now take over as district agriculturist at Athabasca. Mrs. McNaughton is teaching school at Lacombe and will join her husband when the current term is completed.

Services will be held at McInnes and Holloway's Park Memorial Chapel, Thursday (Today) at 1:30 p.m.

Now's The Time For Action !!!

As regards the number of broken beer bottles, pop bottles and other jagged objects that continue to riddle our streets and by-ways - particularly after a busy Saturday night or a country dance? One day last week we spotted two cars with flat tires, both caused by running over broken glass; there were a few more reported to us later on. One of the buildings at the golf course was really beaten up; broken beer bottles were in evidence here to; some of the 'smart' fellas have also been using the fairways at the golf course as a speedway. What's the solution? A local vigilante group? Must we go that far to bring these hammerheads under control? *

And A Lovin' Kiss . . .

To all the mothers within the range of this wee column, who last Sunday received a visit, a gift, a wire or any other communication from the ones that love them most. We fouled up last week by not reminding your errant offspring of the big day but we'll lay a bet that they didn't forget. See you same time, same place, next year Mom! *

And A Friendly Nod To . . .

Mr. Bob Erb, son of Mr. and Mrs. Henry Erb, who last week received a pair of fine awards at the annual meeting of the Calgary Junior Chamber of Commerce. He received one trophy for oratory and the other for being judged "most outstanding Jaycee of the year." Bob, as many of you will remember, spent most of his school years right here in Didsbury.

THINGS ARE LOOKING UP IN CANADA

The economic position in Canada would seem to be showing a steady improvement. Statistics indicate that the buying public is letting go of more cash and the retail index is reflecting a fairly healthy standard of economy. This could be the first stages of lifting ourselves out of a recession for when the buying public goes for goods and services, including money, gets busy and manufacture and make deliveries, transportation companies must make deliveries, and the circle constantly expands. We don't want any silly railway strike to throw a monkey wrench into the start of recovery. The unions may be powerful enough to call the strike but they will not be powerful enough to convince the public that freight charges should be high enough to support a labor program of flagrant featherbedding. Now if Canada can get this grain problem straightened out, our economy should be well away.

There is an unusual demand for Canadian wheat and feed grain now, and even the high grain prices are considered only in that

should be Russia is buying Canadian Rye — grain mean, and the United States is calling for considerable quantities of feed barley.

— Camrose Canadian

WHICH ARE YOU?

A lot of people are like wheelbarrows — no good unless pushed. Some are like canes — they have to be paddled.

Some are like kites — if you don't keep a string on them they fly away.

Some are like footballs — you can't tell which way they will bounce next.

Some are like balloons — full of wind and ready to blow up.

Some are like trailers — they have to be pulled.

Some are like a good watch — open faced, pure gold, quietly busy.

Notes From D.A.

By Howard J. Fisher

The sheepmen are preparing to take off their annual wool harvest. The dry and shearing of the sheep to keep the fleece clean cannot be stressed to much, if you use clippers and it turns cold and wet immediately after clipping, having a shed to go in is good business. The power clippers shear closer and faster than the hand clippers, so it is to the chills have been reported.

Some care in sorting wool before shearing and packing will pay off. Two saw horses and a piece of snow fence makes a good sorting table. If you spread the fleece out on this a lot of the tag ends will sift out themselves through the snow fence. Removing tags to avoid the cutting of wool picked out of the fleece, pieces of chaffy wool, while it may lower the total weight of fleece may bring it up to a grade where the spread in price will more than compensate for the loss in weight. Canadian wool has stiff competition with wool from other countries and it is only by producing a good clean product that we can hold our market.

Other seasonal jobs the sheepman should take care of while handling the sheep at shearing time are: trimming of feet - this can be done in seconds with pruning shears, while you have them, cause the sheep are sheared. Worming can also be done at this time. Sheep Thymazine in liquid form or capsules. If your flock is small and you have not got a dipping vat, they can be sprayed quite successfully in a chute with a garden sprinkler can using a quart of spray per sheep. The sheep at Old School of Agriculture will be sheared. Any one interested in seeing this, is welcome to attend. Mr. A. Charnetski will be illustrating the proper method of handling and shearing the sheep both with electric and hand clippers.

THE
Homemakers

By HELEN HOWARD
District Home Economist

Holy Homemakers —
Spring time is the happiest sea-
son of the year (and also one of
the busiest).

Gardening Note
Have you planted your garden
yet? Be sure to keep in mind how
much canning and freezing you
intend to do for next winter when
you plan your garden.

Have you planted some herbs
this year? If you're room in your
garden, plant some of these:

Summer Savory — used in tomato
dishes, cream soups, meat dishes
and poultry.

Chives — as delicate onion flavor
for soups, stews, etc.

Sweet Marjoram — meat and
poultry stuffings, gravies, with veg-
etables and meats.

Mint — fresh in vinegar and
jelly, in lamb or fish sauces and
frat cup.

Parley — salads, cream soups
and garnishes.

Sage — beef loaf, cheese, pork
and tomatoes.

Summer Savory — soups and
stuffings;

and wild onions or —

yellow color results.

If this bleach has been used, the
commercial dye-remover acts as
a reducing agent and must be used
before the garment is ironed.

It has also been found that these
resin treated fabrics sometimes turn
yellow from the chlorine used in
the purification of water. Manufacturers
of resin finishers are now developing
a resin finish which will give the
desired permanent crease
resistance, but not react with
chlorine.

WESTCOTT SENIOR W.I.
HOLDS REGULAR MEETING

Wescott Sr. W.I. met at the
home of Mrs. J. Luff for its regular
meeting, where roll call was un-
answered by "which part of the news-
paper do you read first?" Mrs. Luff
was congratulated on her
regular attendance over the years.

The citizenship topic dealt with
"The Rules of the Road," a quiz on
traffic laws of the highway.

The results of the handicraft
were discussed and the five-
minute talk was given by Mrs. C.
Rinchert, who explained how she
made her sheepskin mat.

It is hoped that Miss Howard
district home economist can ar-
range a date for a sewing course
for this W.I. A parcel for medical
hospital patients was collected.

M.V.B.C. NEWS

(From Our Own Correspondent)

A number of letters from the delegation group in Washington indicate that they are having successful meetings at each place they visit. They are in Granger at the present time.

Letters from Mr. Carpenter, who was our music instructor for the past two years, sends greetings to his friends. He will soon have the first part of his military training finished, and it is quite possible that he, with his parents, may tour west some time in the near future.

Groups of helpful persons made their labor available at the college this week, to get ready for the meetings that begin on Thursday evening in the Tabernacle. We are all anxious to hear this preacher of whom we have heard so much, and it isn't often that men of his ability and demand come this way. Rev. Doctorian has had an effective ministry wherever he has gone. His last service was in California, and he had to come to us by plane to get his assignment. He will give his most interesting life story Sunday afternoon at 2:30 p.m.

Mr. and Mrs. Arthur Eby and family spent Mother's Day in Calgary with the latter's mother, Mrs. Oga Neilson. There were other members of the family present. While there Grace took very sick and was taken to the local hospital for surgery. Her recovery is progressing nicely and she will be in hospital for several days more.

Arthur Eby was guest speaker in the Mountain View United Missionary Church on Sunday. Rev. D. C. Eby is still ill but it is hoped that he will soon have his health restored.

Mrs. D. M. Taylor and Miss Gladys Eby were guests at the Rainer-Goetz wedding in Ponoka on May 11. Mr. and Mrs. Rainer graduated from this college in the spring, and his bride graduated from the Prairie Bible Institute this year. We did not know the attendants or the other guests, but the entire ceremony was in keeping with young people who are expecting to go to the foreign field as missionaries eventually. Their intentions at the moment are to take the next year of work in the college next winter. They will be working in Banff during the summer months.

The "student centre building" is underway and we trust that those who can spare some time to help will contact the maintenance superintendent, Arthur Eby, and let him know what they can do to aid this work. The school phone No. is 356; other numbers to call are 144 or 201.

THE RISE IN JUVENILE CRIME

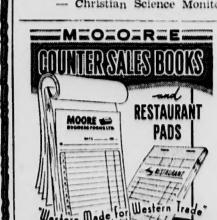

National crime figures have been going up steadily for several years, and what is shocking is the large increase in juvenile offenders.

Even more shocking but somewhat revealing are the statistics that shows juvenile delinquency for 1957 was up 10 percent from 1956, associated with violence or some physical action. Such crimes frequently broken immaturity in the individual or in his national or racial background. This is epitomized by the 67 percent charged to auto theft.

... What to do? The answer is an old one but one that bears repeating a thousand times. The first remedy to be applied is firmer control — by the home, by the school, by the police, and by the courts and custodial institutions. Primarily, firmer control deals only with symptoms; indirectly, the process can help to calm and stabilize whole communities.

The second remedy lies in rehabilitation of those who have erred. Here correctional institutions, probation, and parole come into play. But people must accept that some measure of reform is possible, and that mere retribution is a dead-end road.

The third prevention. And this calls for strengthening of every positive force in our society — form affection within the family circle outward. — Christian Science Monitor

WEST NOTES

(From Our Own Correspondent)

Mr. and Mrs. C. S. Hogg and family, and Mr. Walter Dias of Calgary, were weekend guests of Mr. and Mrs. A. L. Hogg.

Mr. and Mrs. Elmer Luft and daughters spent Sunday with Mr. and Mrs. J. Bagshaw.

A delightful miscellaneous show was held at Rugby hall on Monday evening in honour of Mrs. Ray, whose marriage will take place at Cremona, on Friday, May 16th.

Following games and a short program, the bride-to-be opened her gifts, which were contained in a box which simulated a wedding cake. She was assisted by her sister, Doreen. The hall was decorated in pink and white.

Mrs. L. Krebs was a Calgary visitor on Monday.

Congratulations to Mr. and Mrs. Peter Luft of Elkin, who are the proud parents of a new daughter.

The May meeting of the Busy Bees was held at the home of Mrs. Bea Adamson with 11 members and two visitors present. Mrs. Mrs. Esther McMullen announced she would hold a TV tea at her home on May 14. Proceeds will go to the club. Don't forget to have your money in for the raffle at the June meeting.

Mr. and Mrs. Bill Moncey and family were Sunday evening visitors at the home of Mr. and Mrs. Joe McGaffin.

Mr. and Mrs. Corry Dick and family have moved to Westcott.

We are sorry to hear that Mr. and Mrs. Ray McMullen have both been ill.

Gary Moore of Calgary spent the weekend with his cousin, Danny Howton.

Mrs. Johnny Howton and Jeanne spent the weekend in Calgary at the home of the former's parents, Mr. and Mrs. C. B. Moore.

Mr. and Mrs. H. Gochee and Mr. and Mrs. Bill Scott were Sunday visitors at the home of Mr. and Mrs. W. Fyten and family.

A week ago Sunday a dedication service was held at the Fallen Timber Forest church when Mr. and Mrs. John Elmer and the infant daughter of Mr. and Mrs. Joe Teynor, Cindy Gay, were dedicated to the Lord.

Mr. and Mrs. D. Stair were visitors at Patricia over the weekend.

Mr. J. Howton and Mr. J. McGaffin were unfortunate in having two plainer horses and a barrel of gas stolen from them recently. The police are investigating.

Don't forget the film to be put on in the school by Mr. Clarence Mack, under the sponsorship of the local Junior Red Cross on Saturday evening, May 17.

Midway News

(From Our Own Correspondent)

Mr. and Mrs. F. Taylor and Lyte attended the graduation exercises held in the Jubilee Auditorium in Calgary last Thursday, where Larry received his diploma, when he graduated from the class of architectural draftsmen.

Don and Jeanne of Port Alberni, B.C. are on leave from HMCS Crescent at Victoria and are visiting with relatives in the district.

The April meeting of the local P.U.A. was held at Midway school last week. The civil defense question was discussed, and to avoid duplication of this survey, it was decided to obtain a civil defense officer to do the work. Delegates to the convention in Olds on June 17, are G. H. Marsh, J. Lore and George Underhay. The resolution committee consists of Bob Fisher and Henry Sawatzky.

JACKSON W.I. HOLDS
REGULAR MEETING

Mrs. Lyle Vogel was hostess for
the April meeting of Jackson W.I.
The topic of the discussion was
the form of a movie to be shown
on the film projector by Mrs.
L. Vogel. The picture was
entitled "UNICEF". Films were
also used for the five-minute talk,
entitled, "Traveler's Cheques", by
Mrs. W. Fekler, and for the entertain-
ment item, "Midget Car Mania", by
Mrs. O. Faas.

Mrs. Frank Sonneveld was pre-
sented with a souvenir spoon, upon
reaching her 10th year of membership
in the W.I.

A sewing course, conducted by
Mrs. Helen Howard of Olds, is be-
ing planned for the members for
sometime in June.

DIDSBUCK W.I. CHOOSE
